

Huell Howser's Destination Details CALIFORNIA'S GOLDEN PARKS 102

CALIFORNIA CITRUS STATE HISTORIC PARK

Visit this beautiful state park set in a most unusual location. California Citrus S.H.P. sits in the heart of California's once dominate citrus industry. This park pays homage to this very important yet humble part of our state's history. Learn about the past, present and future of oranges, lemons and the rest of the citrus family in a beautiful park surrounded by working orchards.
